

## **How to Return Your Remote Oximeter to the Ventilator Equipment Pool**

### **Attention: Please Read** **Do Not Throw Out Packaging Material**

#### **Please keep all packaging materials for return of the remote oximeter to the VEP**

- When ready to return the equipment remove the old label(s) from the box.
- Place the label with the return address to the Ventilator Equipment Pool. Peel the back of the plastic sleeve and affix to box.
- Insert the remote oximetry module and equipment into the plastic bag provided..
- Do not place the instruction manual, if provided, in the plastic bag as this cannot be cleaned, place it in the box.
- Close the bag securely with all cables and connectors inside and place in the packaging box
- Secure the package for shipping.
- Call the Ventilator Equipment Pool during regular business hours at:

**Phone: 613-548-6156 or Toll free in Ontario: 1-800-633-8799**

- The VEP will make arrangements for courier pickup at a date convenient for you
